

THIRD ANNOUNCEMENT

Program

Preliminary conference program is available at

http://graphs.vsb.cz/grafy2007/program_pondeli_en.php If you are unable to give your talk at the scheduled time, please let us know soon and we will change it.

Abstracts

You can check your abstract at

http://graphs.vsb.cz/grafy2007/files/abstracts_csgt2007.pdf Please, let us know if there are any mistakes or typos. We still can correct the on-line version.

Equipment

There will be both an overhead and a data projector available along with one laptop or PC. The participants can use their own laptops. We encourage everybody to test the compatibility of the equipment ahead.

Arrival

The directions from the train and bus station are clearly marked by local direction signs to “Zamek”. The castle is visible from every point of the town. If you need our assistance during your trip or upon arrival, you can call our mobile numbers (see email).

Please call us in particular if you need help with your luggage. If you already know that you would need our assistance with your luggage or a ride from the station to the conference site, send us an email with your arrival time and we will pick you up.

When arriving by car from Opava direction, turn right at the first intersection after the bridge. There will be signs “Zamek”, which will lead you to the conference site.

Organizers:

Combinatorica NPO and Department of Applied Mathematics, VŠB–TU Ostrava
